

House Rules

- The community objective is to interact, exchange and learn about the challenges, good practices and lessons learned on Agricultural Risk Management (ARM).
- All postings must relate to the community purpose as above.
- Matters not relevant to the community will be censored and deleted. This includes, but is not limited to, commercial and political adverts, sales oriented communications, repetitive announcements without any new information, links with no explanation, phishing scams, immoral contents, offending and abusive comments/contents, discriminatory comments/contents, etc..
- Members with continuous violation of the community rules may find themselves will be blocked or removed from the community.
- Although this group is moderated in English, French contents will also be accommodated.
- We encourage all members to post under the identified topics (the hashtags are not mandatory but are strongly encouraged). Please, refer to the following lists of topics and hashtags:
